Our Mission:

We are Uniting for Health Innovation (UfHI), formerly PAHO Foundation, an independent nonprofit 501(c)3 organization based in the United States. Our mission is to develop programs, share insight and collaborate with experts and partners to have a profound, positive impact on seemingly intractable public health problems that threaten the health and prosperity of people in the Americas. We do this by uniting government, industry, and local communities to advance innovation in public health.
